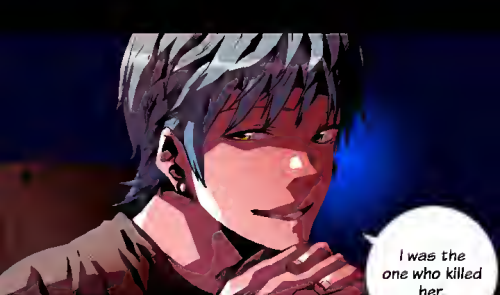
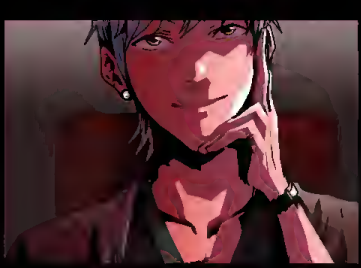
A AND O ANGEL

Chapter 19
[Tower of the Goddess Part 6]





Are you serious?
Why did you do that?
Because she tried to harm Hyun-soo.
I couldn't handle what she was doing and I acci-dentally...!!

Well I can just say
it was self defense, can't I?
.....
Let's forget about the dead.
We need to live while we're still alive.
On to the main topic.

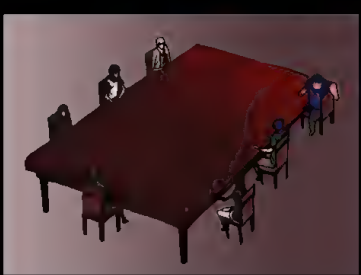
Yes.
The watch has started moving again.
That's strange; what's going on?
Did the Goddess die?
This bastard...
He won't tell them that he killed the Goddess too, will he?
Ah~
I killed the
Goddess, too.



KUOOOO

LONE MANGA!

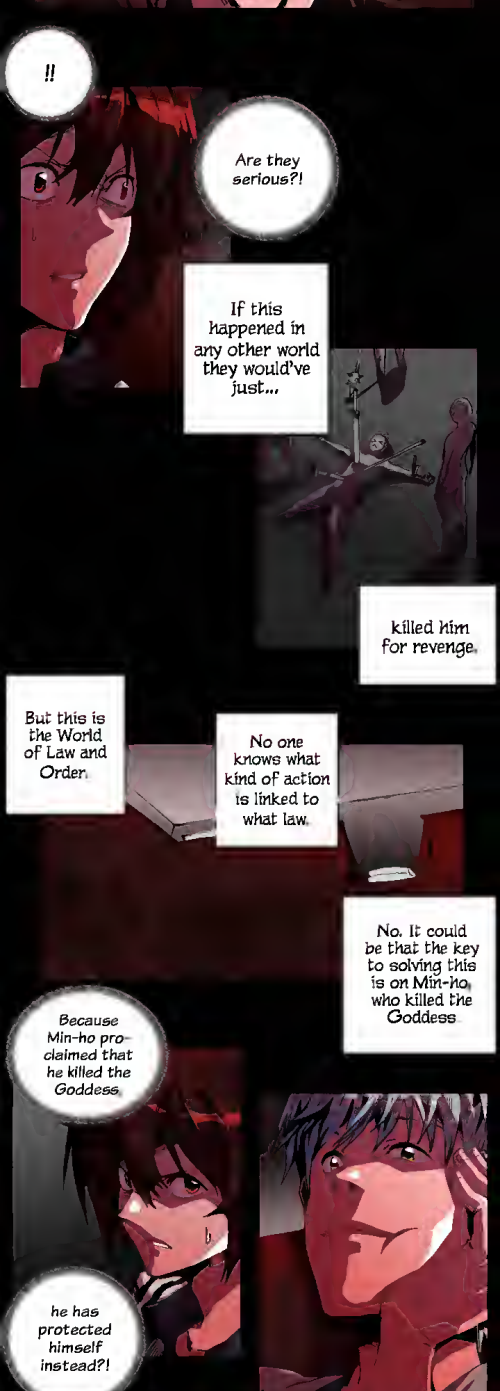
It seems... that it's the truth as well

Because the law that "The Goddess's kiss stops the watch" has been broken

If you are truly the culprit

we'll have you tell us what made you do that immediately

LONE MANGA!



!!
Are they serious?!
If this happened in any other world they would've just...
killed him for revenge.
But this is the World of Law and Order.
No one knows what kind of action is linked to what law.
No. It could be that the key to solving this is on Min-ho, who killed the Goddess.
Because Min-ho proclaimed that he killed the Goddess,
he has protected himself instead?!
